Love Stories

REAL WEDDING

Jordan & Amy

What made you fall in love with Crowne Plaza Hawkesbury?

Organising a wedding is overwhelming - but our wedding planner was so warm and welcoming. She shared the beautiful property with us which has so many options, and when we saw the chapel it was the icing on the cake! We fell in love with CPHV instantly. It had everything we needed and the flexibility to make it our own.

What was the highlight of your day?

Amy – My highlight had to be sharing this beautiful once in a lifetime moment with everyone, my friends and family together.
Jordan – My highlight was the moment Amy walked into the chapel and I saw her for the first time. *#cute!*

Which reception location did you choose and why?

We chose the Windsor room for a few reasons. Firstly, it was furthest away from the main area, which we loved! Making it secluded and private. Secondly, it was close to the outdoor courtyard which was perfect for our guests to spill in to during canapes. Not only that, but the rooms design and size meant we had an intimate reception and could decorate it the way we liked.

Questions?

FAQ'S

Will there be a wet weather option for my outdoor ceremony/reception?

Absolutely! Every outdoor event we do has a wet weather back up alternative. These are chosen based on availability in the hotel. For ceremonies we make the decision on the day of, whereas for an outdoor reception the decision is made the day prior. Your Wedding Specialist will be able to identify which areas will be held for you.

Can I have my own MC?

Of course you can. This is a very personal way to involve a friend or relative in your special day. Plus, we believe having an MC who knows you personally is always a great choice for those heart felt words but also some tasteful humour.

Any additional charges?

Gazebo - $950.00 surcharge

Saturday - Sunday Minimum Spend
Windsor Room, Richmond Room,
Governor Phillip Ballroom & Gazebo
$15,000 minimum spend

Lachlan Macquarie Room
50 adult minimum - no minimum spend

Can I bring my own catering or alcohol for my wedding?

No food or beverages of any kind, other than those provided by the hotel will be permitted onto the hotel's property without consent of the hotel. We do not permit external catering (other than a wedding cake). Please speak to your Wedding Specialist if you have any further questions

Can I have fireworks for my reception?

Fireworks & dry ice can add amazing effects to a wedding reception, however due to fire safety and regulations we only able to accommodate these activities in the Governor Phillip Ballroom, Richmond & Windsor room. Please advise your Wedding Specialist if you will be having these.

Can I have confetti?

Lakeside & The Woods - Biodegradable water-soluble confetti and fresh flower petals are permitted provided they are not used near the water.
Chapel - No confetti is not to be used in or around the Chapel. Flower petals (real) may be used as decoration along the side of the aisle only, to avoid slipping.
Cleaning fees apply.

Can I get ready for my wedding on-site?

Yes you can! We recommend booking your accommodation for the night prior to the wedding. Your hair and make-up artists are more than welcome to come onsite and assist you with your preparations in your room. It is a good idea to book your room for 2 nights, to avoid check out times on the day of, that way you can relax and enjoy you special day.

Can I have my pet walk down the aisle too?

There is nothing more special than being able to have your fur baby attend your ceremony. We permit them only at the Lakeside and The Woods, and they must not enter the hotel, Chapel or Villa Thalgo Day Spa. All animals must be looked after by a carer, on a lead and any mess must be cleaned up immediately.
Charges do apply if any damage or mess is incurred. All animals must be taken off the premises at the completion of the ceremony. Check out Pets as Guests website www.petsasguests.com

Who will set up my centerpieces and decorations for the reception?

If you are providing your own centrepieces and decorations, we usually ask you to bring them in the week of the wedding. We are happy to assist in placing already assembled centrepieces out for you, however if they require construction or assembly, we do ask that you allocate a friend or relative to assist. We will happily set out your place cards, bonbonnieres and guest book for you. Your Wedding Specialist will touch on this further in your final appointment around 2 months prior to your wedding.

Yay! I've booked. Now What?

Now is the time for you to start locking in your suppliers such as a celebrant and photographer. Organising bridal party outfits and cakes is a good idea too. Your Wedding Specialist is there to assist with any questions you have along the way. Your wedding dinner trials are held approximately 4 months prior to your day, and a final consult 2 months prior. Your Wedding Specialist will go through the day in great detail from the start to finish, ensuring a smooth and stress free timeline for your special day.
