Experience Descriptions

Bathhouse Immersion

All packages include 2 hours daily access to the VELA Bathhouse, a curated thermal journey designed to ease tension, enhance recovery and calm the mind. Move freely through a sequence of warm mineral pools, dry heat sauna, infrared sauna, steam room and invigorating cold plunges, each therapy guiding your body back to a state of deep relaxation.

Float Therapy

Featured in both the Immersion and Signature packages, our float therapy experience is a deeply relaxing journey that removes gravity, allowing you to suspend in warm, magnesium-rich water. Removing all sensory input you can expect your muscles to release, the body to align and the nervous system to unwind. Your float session is 60 minutes in duration in a private float room suite. Please arrive 15 minutes before your scheduled session time.

Restore Spa Ritual

Featured in the Immersion Retreat, Restore is a 2 hour restorative spa journey designed to renew the body and calm the mind. Begin with a smoothing full body thermal salt exfoliation to revitalise the skin. A short shower rinse, followed by a deeply relaxing massage using cannabis cream provides anti-inflammatory benefits designed to ease tension and restore comfort. A customised facial to restore glow and hydration follows, with a calming scalp ritual completing this immersive experience, leaving you grounded, radiant and restored.

Awaken Spa Ritual

Featured in the Signature Escape, Awaken is VELAs most luxurious spa ritual, a 3 hour experience including scrub, body wrap, full body and scalp massage plus a Derma LED facial.

Your journey begins with a full body antioxidant refreshing exfoliant to deeply rejuvenate and smooth the skin, refining texture and restoring radiance. Your body is then cocooned in a Sapphire mineral wrap infused with natural sapphire particles to energise, illuminate, and restore balance. Followed by a flowing full body massage using aromatic Indian spiced oils and a scalp massage to release tension and reset the nervous system, reconnecting the body and mind. Your experience finishes with a DermaLED light therapy facial to revitalise the skin at a cellular level, enhancing overall luminosity and renewal.

Champagne High Tea

Hosted in the VELA Relaxation Lounge & Champagne Bar, enjoy a glass of Louis Roderer Champagne, freshly baked scones with whipped cream & strawberry jam, assorted finger sandwiches and assorted petit desserts. All accompanied by a refined selection of teas and barista made coffee.
